CONDITIONS

Wightlink uses Flexi-Pricing for its public fares, which means that prices are not static and may increase in line with demand for particular crossings. The sooner a booking is made, the more likely a lower fare will be offered and fares will generally get higher the closer you get to the sailing date, particularly during busier times. Bookings for this offer must be made and paid in advance. All sailings are subject to availability.

The discount cannot be claimed retrospectively for bookings that have already been made and paid for and cannot be used in conjunction with any other Wightlink Promotional offers.

Depending on the type of ticket purchased cancellation and amendment fees may apply. These will be clearly advised/shown at the time of booking. Please note when planning travel times we require all customers to be at the port for check-in no later than 30 minutes prior to sailing times.

SUPPLIERS BOOKINGS

If the suppliers are travelling by car/van (up to 5m in length), then the above offer can be used for their travel. If the band, caterer and marquee vans are over 5m in length, then they will come under commercial vehicle prices and they will have to book by this department. In order to make bookings for these vehicles, we will require the following information for each vehicle.

- Port, Date & Time for outward and return journeys
- Lead Name and total number passengers in vehicle
- Length and height of vehicle
- Vehicle Registration Number
- Contact Mobile Number

If the suppliers are travelling to the Isle of Wight on Saturday 5 September, this will probably be a busy day for travel as it is the end of the school summer holidays and would suggest bookings are made as early as possible.

Offer Valid Monday 31 August – Saturday 12 September 2020
